## **2015-2016 Dependent** Verification Worksheet (V3)

Your 2015-2016 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called Verification. The school will compare information from your FAFSA with 2014 Federal IRS Tax data, this form, and any other requested documents. If there are any differences between your FAFSA information and your documents Tusculum College may make or ask you to make corrections. If the corrections lend to changes in your aid eligibility a revised award letter will be sent. Any corrections made will generate an updated Student Aid Report (SAR).

You and at least one parent must complete, sign and submit this worksheet along with any required documents to the Tusculum College Office of Financial Aid. After reviewing your file you may be asked for additional information. The law says that we have the right to ask you for this information before disbursing Federal Student Aid.

SUBMISSION DEADLINE: June 1, 2015 Verification paperwork received after this deadline may cause a delay in the processing of funds to your
