

Catalog Publication Timeline

Catalog Action	Deadline
College Deans identify editors to review catalog (training available)	October 15
Deadline for editorial changes to new catalog	January 15
Deadline for curriculum changes, including SACSCOC approval, if required	January 15
Changes submitted and approved by catalog manager	February 15
Catalog reviewed by College Deans and/or designee	March 15
Catalog published online and access for editors disabled	April 15

Note: Curricular actions receiving final approval after the deadline will be deferred to the subsequent catalog and will take effect in the fall term in which the catalog applies. Editorial changes that clarify or correct errors without changing curricula, requirements, or policies may be implemented at any time.
