If students awarded the TEACH Grant do not complete the four years of qualified teaching service within eight years of completing the course of study for which the TEACH Grant was received, or otherwise fail to meet any other requirement of the TEACH Grant, the Grant will convert into a Federal Direct Unsubsidized Stafford Loan, with interest accrued and capitalized from the date of the original disbursement.

- Write to the Secretary of Education (within 120 days of completing or otherwise leaving the program of study for which the TEACH Grant was received) confirming that you are employed as a full-time teacher in accordance with the terms of the TEACH Grant, or you are not yet employed as a full-time teacher but intend to meet the terms of the TEACH Grant service agreement
- Submit upon completion of each year of teaching service, documentation of the service in the form of a certification by a chief administrative officer of the school
- Comply with all other terms, conditions, and requirements that the Secretary of Education determines to be necessary.
