

# APPENDIX A

## Biosafety Manual Acknowledgement Form

The Occupational Safety and Health Administration (OSHA) requires that all employees be made aware of biological hazards at their place of employment.

After reading the Biosafety Manual for Tusculum University you are asked to please complete this form and submit a copy of the signed form to Tusculum University's Chemical Hygiene Officer (CHO). By signing this form you acknowledge that you are aware of the policies and procedures applicable to your work. You will be provided with additional information and training as your duties and rules change.
